Notice of Change

Effective December 1st, 2026, please note the following changes:

Destination: Leisure Plan

Effective December 1, 2026, The Destination: Leisure Plan rates will increase by 8% to reflect medical inflation. The rates and benefits continue to provide competitive coverage for your outbound Canadian Travellers.

Important Note:

Quotes completed prior to December 1, 2026, will be valid for 30 days or until the effective date, whichever comes first. Quotes completed on or after December 1, 2026, will reflect the new rates.

Destination: International Student Plan – New Monthly Payment Plan option

Effective December 1, 2026, customers purchasing a Destination: International Student Insurance Plan for a minimum term of 180 days will have access to the DTGI Monthly Payment Plan option at the time of purchase. This is the same Monthly Payment Plan currently available to The Destination: Canada Visitors Plan customers. We will share more information about this new option in the coming month.

Please Note: There will be no other changes to any of our other Destination products at this time.

Should you have any questions regarding these changes, please contact info@desttravel.com

Thank you for your continued support.
